

We know Xmas is only just over but a quick reminder that if you need us to board your dog while you are on your hols this year please could you let us know ASAP as we do get very busy around holiday time and we don't want to let anyone down..

## Thank you for choosing Dogpals.co.uk & Happy New Year

First of all, we'd like to say a big thank you to you our clients. We love our work and we really appreciate your custom as you make this possible, so we thought we'd start a newsletter to update you on what's been happening and our future plans.

### Dogpals Welcomes 2 New Staff Members.

Thanks to the support of our fabulous customers we have now taken on 2 experienced dog carer's as demand for our services has trebled in 2009. Julie and Karen will be helping us to expand further. They will both be providing day care and home boarding services to our clients which will allow us to maintain our current service levels and minimize our waiting list.

### We're on the move Hopefully!

We are currently looking at premises in the Ensbury Park Area that would be suitable for a doggy play school. This will we believe provide a fun & exciting experience with enhanced play facilities and allow us to offer grooming services on the premises.

We will keep you posted on our progress.

### Important Update on our Pick Up & Drop Off Service

Due to the rises in fuel costs we are unable to provide a free pick up and drop off service in 2010.

From 18/01/2010 there will be an additional charge of £2.50 each way.

We apologies for any inconvenience this may cause to our customers..

Customers that already drop off and pick up their dogs will not be affected by this.

### Our website is now revamped at last!
